“ Faith and I are so very sorry that Uncle Bruce is gone. Pulling up to your house and seeing him and Scott outside working on a car years ago is a picture we'll always remember. He was so gifted not only in his career but working on his cars with his son, his home, and his music. I'm grateful that he&Scott played guitar together when we were there last year too~such talent! A great memory is of you,Aunt Adina,playing the piano with both Scott&Bruce on guitar, and y'all singing...”Why Me” was a favorite back then. Kindness~talent~gifted~hardworking~gracious~loving~good son, husband, dad, and uncle~veteran...are just a few of the words that describe him. We are privileged to have known him here, and look forward to the day we will all reunite with him by the crystal sea on Heaven's shores. Prayers and love always, Cheryl&Faith
