“ I've known Caleb since we were kids, we grew up in the same church. Even from childhood the things I remember most about Caleb were his smile, constant unwavering cheerfulness and joyfulness, greeting hugs, and love for the Lord. He was a faithful servant of Lord leading others in praise and worship even before he was an adult. Even though I haven't seen Caleb for many years, I know I'll see him again in heaven and rejoice that he is now with our beautiful savior. Though I mourn now with Caleb's sweet family and friends.
