

## Caleb Martin Walker

December 7, 1992 - November 25, 2020

Caleb was born December 7, 1992 in Orlando, Florida and passed away November 25, 2020. He is survived by his parents, Sarah and Tom, brothers Seth (Andrea), Josh (Ashley) and his sister Leah, as well as his nephews Jack, Gavin and Austin, and his niece Hunter. He leaves behind many aunts, uncles and cousins.

Caleb was diagnosed with Autism when he was 4 years old, and had a child like faith that assured him he would be with the Lord when he transitioned from this earthly existence.

Caleb's smile could light up a room. He had what we always referred to as "smiling eyes." He loved joking, saying silly sayings and singing songs. He had silly names for each day of the week, which he loved joking about. He loved his family and the special people in his life who took care of him, developed a relationship with him, and diligently tried to bring out the best in him.

Caleb loved our family vacations to Blowing Rock, N.C.. He enjoyed hiking, the lake, and playing in the downtown playground after getting ice cream. He was a great swimmer and loved swimming in our backyard pool and at the beach.

Walks to the park and playing with his family were special for Caleb. He loved long car rides, and would sit up front and navigate our ride while playing his favorite CD's. He loved music, and his favorites were oldies, contemporary Christian and classic rock. He always knew which track certain songs were on his CD's, and would play "snippets" of his favorites over and over again.

We will miss Caleb's quirky sense of humor and endearing spirit. Caleb was and always will be our "forever young".
