Family was very important to Camille and she focused most of her energy on her girls and Sal. In addition she always made time to read everything she could get her hands on. She also loved to surround herself with her extended family and friends. Camille loved walks on the beach and so when her girls decided to relocate to Florida, she was overjoyed to follow them there.

“ *I am a cousin that goes way way back to the early Brooklyn days. I
knew my cousins Grace, Rosemary, and Camille very well. Many a
day in 1965-1966 I would go to their house while on lunch break
from Our Lady of Guadalupe school. Grace, Rosemary and Camille
would come to myself and my brother Ken's birthday parties in the
basement of my grandparents house on 79th street. I also
remember spending time with Camille at the house on Long Island.
I'm saddened to hear of this news, and send my condolences to
Rosemary. It's been I long time, and I send my love. God bless. We
will all meet again.*

“ Dear Sal, Grace, Theresa and family, Camille was my first friend from kindergarten and a few years in OLG and reunited in Bishop Kearney High School. We shared sleepovers, the love of the Beatles and many fun times growing up! We always kept in touch no matter how far apart we were. Her last text to me on Christmas Eve will be forever in my heart along with all the memories. She had a smile and laugh that were infectious and I will miss her dearly. Keeping all of you in my prayers as you grieve for your two angels....may our Lord give you the peace you need today and always. Love Joanne and Hal Levine

“ Camille, though we haven't been in touch for many years, our mutual high school "sister" Joanne Anello Levine, has always kept me in the loop and shared your beautiful family photos. We had such good times in high school and i will always remember your infectious laugh! Your family has given heaven two angels who should have still been with us for so much more time. My deepest and most heartfelt condolences to all of you on this tremendous loss. With prayers, Anna B.

“ Our paths crossed with the Sigonas in our neighborhood and around the community where Camille was so involved-- mostly in the early days on the Brunner corner where the crossing guard still stands. We are grateful for the smiles, spirit, and friendliness Camille added to our neighborhood. You were all missed when you moved to Florida.
Sal, Grace, and Theres we are so sorry for your loss. Our hearts are heavy here.

“ *I met Camille twice after having worked with Sal in Portsmouth, NH. She is smart, beautiful and so friendly. If we lived closer I am sure we would have become closer. My husband and I are in shock over this very terrible news. Sal, and to your girls, we are sending out love and support.*

“ *Camille was always smiling and oh so helpful. She made time to be kind even when she was very busy. We saw her often when she worked at Fanwood Memorial Library and walking in the area. We missed her when she moved away and now she will be missed even more.*
