July 5, 1949 - December 23, 2020

Candice Ann Collins

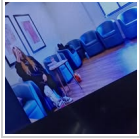

God brought Candy into this world on July 5, 1949 in Albany, New York. She moved to Winter Park, Florida with her family shortly after. She went to school and worked hard. She was a loving, single mother of four children, Margie, Roger, Robert and Lisa. Candy was an angel to so many people; family, friends and virtually anyone she came in contact with. She had wisdom and vision beyond her years. She was fun loving, lighthearted and always wanted the best for everyone. She owned her own business, obtained her Masters from Rollins, and went on to retire from GOAA Administration in 2013.

Candy is survived by her daughter, Lisa, sons, Roger and Robert, brother Fred, nephews Scott and Daniel, grandchildren, Robert, Corey, Colton, Josh, Felisha, Michaela, Candice, Linsey and many others that loved her dearly.

Her loving memory will be forever with us.

A celebration of Life will be held on a future date.

“ *I miss you grandma . Everyday ... your last words you were able to speak before you passed will forever remain in my mind . You were my best friend, my mom , and my dad all in one, when I had no one . I'm proud to be named after you ! I know David would've felt the same way too .*
