“ *The Ebers - neighbors posted a condolence May God Bless you and comfort you at this time. Carl was a wonderful neighbor. He was always there to help us with his common sense, words of wisdom and handy tools. I will never forget the time he climbed up the ladder and helped to trip our tree. He cut his leg on a branch and it bled profusely. Alarmed, I pointed it out to him and he gave a Hmmp and said, "it's that damn plavix." And he continued to climb the ladder and hack at the tree. Nothing could stop him that day. He was a good man, a kind man and his presence will be greatly missed. We will keep you all in our prayers during this difficult time.*
