“ My favorite memory was of Carl driving his motorcycle with you on the back dressed as the Easter Bunny going to Lifecare to brighten the residents day on Easter!

My memory of Carl, is the warmth and kindness I felt when I met him. Here I was a strange woman from NY, who met Sas and him from a Chat room. He welcome me with open arms. Always a smile! As, our Sas did too. I was blessed to find them and have them both in my heart.
