“ Teri Raksnis - Second Mom posted a condolence I've had many laughs with and about Connie. I loved the way she drove her car's gas pedals. Her heebie jeebies. They way she tried to guilt Lori (oh, what a tangled web we weave)...She showed me how to make omlets in the Cayman's. Connie was tough, but she loved and cared a lot. Our heart and prayers goes out to your family who misses you very much.
