“ Titi Carol was an exceptionally kind person. As a child she always took the time to talk to me and take an interest in my like and dislikes. One of my fondest memories of her was her taking us to the science museum when I was much younger. She took the time to explain things to me and I always just enjoyed her presence and being around her. Titi Carol had the same kind of energy around my two young children when they met her this year. I think its just who she was as a person, immaculately kind, compassionate, and warmhearted. Her humor will be missed and I am grateful that the cards I was dealt in this life allowed me to be her family. She will be missed a great deal by all who knew her.

“*Mrs. Cannon always spread kindness, compassion, and love to Luke and his friends. She put up with us crazy kids and always treated us like her own children when we would spend time at the Cannon’s. She always took great care of us. Her beautiful soul will never be forgotten.*”
