“ I am going to say goodbye to Carol today. She was a sweet angel taken too soon. Her brother Danny has always been there to care for and protect her through the years. I hope the family finds peace in knowing there will be no more pain. Only Light, Love, and Eternal Peace in Heaven.

“ "I've been friends with the family seems like forever. Carol and family have been good and decent and will always be in my heart. Every time I saw her she was always asking about my brother and his wife and my wife. She was kind and friendly and will be greatly missed by everyone who knew her.
