“ Carol you have been a part of my life since I was a young teenager sniffing around your house and daughter. You raised 5 strong loving daughters with one becoming my wife and soulmate. The others becoming my forever loving sisters. You are strong willed and took on life with great gusto!! You were a bright guiding light in the family that has burnt out too soon. May we all continue to make you proud!! I love you and will miss you dearly.

“ To my dear favorite sister, I will miss you terribly but I am at peace knowing you're in the company of all our loved ones that passed before you. Such a warm, loving and giving heart, you have meant so much to so many! And because of you, we are blessed with such a beautiful extended family. I forever love you and will rejoice in seeing you in the afterlife!
My most heartfelt love to your children, grandchildren and great grandchildren who have all been a light in my life.
