“*Mrs. Schleuning was THE best teacher I had. Although she was tough on me, it was because she saw through my stubbornness (oh yes, she told my mother I was very stubborn but that was a good thing b/c it reminded me of her son;). She sat me right by her desk and challenged me everyday to do more and to do better. That year, I received the highest score in the state for the 4th grade standardized written exam. Her laugh and smile will truly be missed. Thank you Mrs. Schleuning and rest in peace.*
