“ *My wife Ricki and I have known Carol, Ozzie and family for quite some time now, as their children Sarika and Karishme attended same elementary school in Coconut Creek as our two boys. As the years flew by and our children moved on to other schools, we would bump into them every so often and even meet for dinner at a local restaurant, and would chat with them for what seemed like hours, as we always had so much to talk about. Their daughter Sarika attended the same college (USF) as our son from 2006-11, and he kept in contact with her during that time. Carol and Ozzie were probably one of the nicest couples we had ever met, as we always enjoyed those lengthy chats that we had with them. We offer our heartfelt condolences to Ozzie, Sarika, Karishme and family during this time, and hope that Carol is resting in Peace. All our Love,
Peter & Ricki Staniscia.*

“ This is so sad to hear. I worked with Carol when she was at JM Lexus and she was always diligent, but so funny. She had such a zest for life. My heart goes out to her family, she was so young. She will be missed by so many people.
