“ *In 2010, I saw Valencia's production of Carousel with my mother, who also just passed away last week. The same song that meant so much to Carol was one my mom loved to sing. I selected a version sung by Shirley Jones to play at her memorial service, but it was the memory of Carol's haunting performance that will always stay with me.*

“ *Carol & I were friends starting way back in Junior High in Bel Air, MD. We drifted apart over the years, each pursuing our own lives and paths. I reconnected with her through Facebook and I'm so glad I did. Her courage and spirit through all of this was amazing and like so many others I know she's singing lead in the Heavenly choir. Thoughts and prayers are with her family and those of you who knew her so better than I.*

passing. She will be missed by so many. All of

I have to agree with so many that the heavenly choir has just
acquired their best soprano ever! Our prayers are with you, the kids
and all of Carol's family. Cherish the many beautiful memories of

Christopher especially loved when she would take the time to play UNO with him when we got together. You are home now with our Lord and free from cancer, and singing with the heavenly choir. You will surly be missed. With Loving thoughts and prayers for your family, Danny, Teresa, Alex & Chris*
