“ I wouldn't be the person I am today without your influence. I remember the first time you came to our house with gram as a teen and later looking forward to knowing you would be coming with mom as a grown woman. You were there to welcome my first child and taught me all the things I think gram would have. You made me a braver, bolder, and stronger woman. I am so thankful that you were a part of my (and my family's life) and we will always cherish the fun and laughs we had together.
