“ Karen: I was saddened to hear about the passing of your mother. I know how frequently she was on your mind, how much you looked forward to your trips to FL to visit her, how sad it was that you were not able to visit recently due to pandemic - and how much you loved her. You were a good daughter. Suzanne Meyer

“ *Carole was a lovely woman and I have missed her. We were in CCW's St. Joseph Circle together for many years. I used to look forward to sitting behind her at mass at St. Mary Magdalen Church. Even though she always had her rosary and her prayer books nearby, she always stopped to chat with me before mass. My prayers are with all her family during their time of loss. May Carole Rest In Peace in the arms of our loving and merciful God. Karen and Ed Gallagher*

“ *I share Kathy's fond memories of Maple Road (although I don't remember the crackers!). What I reflect on most is the amazing legacy and family your folks created and the incredible lasting friendships they forged. Wishing you peace in those awesome memories.*

“ I have so many great memories of being at your house on Maple Road. Whenever I was there your Mom always made saltine crackers and butter- it was such a treat, and still one of my favs. Sending you all love, prayers and hugs. And hope for peace with time. Kathy Conway Patterson.
