“ *Cindy Williamson - Friend posted a condolence Len, I have been flooded with so many memories since you called to tell me Carole was gone. We had shared so much in those almost 60 years and I will never forget her or her loving kindness to all she came in contact with. I pray for you and the boys that your memories will bring you strength and comfort. It would be my privilege to attend the services. I hope you might let me know when and where they will be held. Dennis sends his deepest sympathy as do so many others who knew you both. Cindy*
