“ *Soar with the angels my beautiful friend. I enjoyed the stories of your family, your nursing & your life. You will be absolutely missed. I am honored to have done your hair...I gave you a cut but you gave me so much more...you made me feel like it was more than a cut. And it was & is.*

Your legacy lives within your beautiful daughters, grandchildren and family. You were so proud...I know you will continue to look down & be proud. Love you. ❤️ Until we meet again. 🙏

“ My mom was truly a gift from God. She had so much beauty, grace, and love and she shared those with everyone she met. I saw that growing up, but I saw it so much more over the last 12 years when she and I combined homes and became so much more than mother and daughter. Mom was an inspiring soul, always there for all who came into her life. I saw her become a support system for so many friends and neighbors. Her home was open to everyone, and her hospitality made them feel important. She was the most loving, humble, compassionate, understanding, patient and beautiful woman both inside and out. She had one of the most beautiful souls one could ever meet. Our family always had a love for animals and never turned away from helping any animal in need. With mom, that went so much further. You would have thought we had dogs in our home because there was always dog cookies in the house. Anyone passing by our front porch would be greeted by mom, and if they had a dog, they became fast friends. There wasn't a dog in the neighborhood that would pass by that wouldn't drag their owner to our front door so they could visit with my mama and have a treat. It was the sweetest thing to watch. Our porch is going to be so empty without her there. She touched so many lives in so many ways. I do not know how I will do life without her. I am going to miss her so much. I love you mom.
