“ *My deepest sympathy goes out to the family of "Carolyn Barton". May God be with each and everyone of you during this sad time. I will always remember her sweet smile and the times that we talked on the telephone. She was such a sweet and caring person who loved her family very much. She always thanked me every time I called her and she told me how blessed she was to be loved. But, she did share with me that when God called her home that she was ready. I will always cherish the memories...*
