“ *David Culver I, Geniva Barlow-Culver and sons - cousins posted a condolence Dave: You were very special to me and I could not imagine never having you in my life. We will be together someday. Rest in peace. I love you very much. Geniva: I never got to know you very long but in the last 28 yrs, its been so special to have you in my life. You befriended me when I had David II and I always talk about when you took me and David II to the steak house. Of course, he was only 2 weeks old so he couldnt eat but when I told you that it was too expensive to eat there you just laughed and said "its only money so why not enjoy it while I have it". You insisted so I finally gave in. Yes, these other condolences posted are so true. Your heart was so big and you always went out if your way to welcome me to the family. I love you and will miss you greatly and that laugh you had.*

“ Tina Nelson - Niece posted a condolence Every story I have about my aunt starts with, "My crazy Aunt Carol". She was the most giving person I know. No matter how little she had, she would find away to help someone in need. She had the biggest heart and lived her life to the fullest. I will miss her always.
