“ The fire in your heart....your laughter....your sense of humor...ALL things that you brought with you everywhere you went...I loved your spirit and the strength of your standing up to things you didn't approve of... Your childish, mischievous side was endearing...I loved you for many years, pinkie... You made me laugh out loud...and when I see you in my head..you can STILL bring a smile...I'll miss you, lovie... Thank you for sharing yourself with me.... May you be at peace in the arms of our Lord...  
Love you forever..... Gaby

“ I remember all the fun we had as kids in New York , sneaking you out the window when we were teens , rock concerts, bike week in Daytona, the times we had in SanFrancisco and of course all the holidays! Last Christmas wearing those crazy blinking reindeer antlers, you coming to Tallahassee and parasailing at Mexico Beach and of course all the fun we had at the Beau Rivage in Biloxi and you and Doug at my wedding. Everywhere I look I have memories of you close to my heart. You dont have to hurt and suffer any more, you gave it your best dear sister! Until we meet again always and forever Love Eileen ❤️😭
