

CATHY ALICE "PERKINS" ARNOLD

June 8, 2009

Cathy Alice (Perkins) Arnold, 53, of St. Petersburg passed away peacefully on Monday June 8, surrounded by her family and friends. She had just returned from a joy filled trip in the Caribbean with her family. While her loss was not unexpected, she will be sadly missed by all who loved her until the day we see her again.

Cathy loved her family, doing fine woodworking, flying airplanes and making and eating good desserts. She was looking forward to the birth of her second grandchild in July.

She moved to Florida from her native Maine with her husband Ty in 1975. Cathy worked for the Airport Authority at Tampa International Airport for over 26 years in the Communications Center, she was an active participant in the Clearwater Firefighters annual Shelter Care Children
