Madeline, I can not imagine the heartache that is felt with the loss of a child. I hope as the upcoming days approach that you are able to remember all the good times you shared with your son and know that the short time you've spent with him was special. Your time together will happen again in heaven. I hope your heart mends in time.

I have been blessed with gods love he is helping me threw this. I call this faith, I may cry but I know at the end of the day he has both of my babies. What better baby sitter could I have? I cry because I am thinking of myself and what I want to fill. How am I to be so selfish? I will have a day I can talk to God about this. I just know that I had two sons' that loved life and loved me. I was blessed. I found a voice recorder on my phone where Chad talked about his new born baby and also said come see you first grandbaby and I love you mom. I was blessed.
