“ My prayers are with the family in the lost of your loved on and my friend Charlene. We met in 2008 at the President Obama campaign office. She was a true and sincere lady who just let you know she loved everyone. It was a joy to share emails with her and to be with her once a month when we had our "Obama Girls" luncheon. We will truly miss her bubbling personality and sense of humor.##imported-begin##Berta Robinson##imported-end##

“ I will always remember Charlene's smile, laugh, and love for family. My thoughts and prayers are with all of you, my cousins, down there in Florida, and may you find comfort and strength in each other and the love that will remain forever in your hearts and souls from Charlene. I received a book from another of our cousins after my sister's passing, called "Discover Paradise" a Guidebook to Heaven- your True Home, one of the verses in the book is "And Jesus said to him, Assuredly, I say to you, TODAY you will be with me in Paradise"
-from Luke 23:43
In Heaven she will not be suffering anymore, and will be with our loved ones who went before her. It doesn't take away the hurt and pain, but it is some comfort knowing that. My love and prayers go out to you.

“ Dear Bob and all the Family,
Beyond those who knew Charlene well, were the hundreds, maybe thousands of Floridians she touched through her tireless efforts to make life better for everyone through our democratic processes. She taught me the joy and hope that the political process is supposed to be.
My solace is knowing she fought the good fight and is watching us from heaven as we continue the work for equality and justice for all. Your loss is deeply felt by all of us.##imported-begin##Sandy Eldridge##imported-end##
