“ Chuck shared so many jokes, stories and lessons with me. My favorite being “ I am mushroom!” ( lol). He was a good and loyal friend. You will be missed Chuck! Keep Heaven entertained! I am praying for comfort, strength and peace for your family! I won't say goodbye, but rather say, see you later!

“ Chuck, you are and will be missed my friend! I had the honor of meeting Chuck about 9 years ago and got to spend of a lot of time listening to many many stories and jokes! One of the greatest things that Chuck ever taught me (and there are many) that “One hand washes the other”. He would say that every time he helped with something, which was often, and I would say thank you he would say “One hand washes the other”. He was telling me that's what friends and family do, we help each other! Chuck, my friend, I know in my heart that you are in heaven and I will shake that hand again one day soon, until then, rest in peace and my prayers are with your family!

“ So thankful to get to know Chuck! He was a great soul and knew he would be with Christ in Heaven one day. Your jokes made all of us laugh and you were a great friend. You will be missed by so so many. Rest in peace my brother and until we meet again on those golden roads!

“ My dearest friend, Chuck I will never forget you as you have been my Special Best Friend who was there when I needed him. I had the honor working for him at Master Jewelers back in the seventies. Since that time we have called each other once or twice a month and God knows how much I miss that man. I still have his voicemail that I listen to and just well I need him back. Chuck you will for ever be in my heart ❤️.  
Cindy I Love you girl ❤️
