“ I love seeing this picture of Mr. Gurnik.

*Susan Gurnik and I met in high school and have enjoyed 30+ years of friendship since. Chuck was always so welcoming and friendly to me. It was great to go over to the house on Breen because he always made me feel special. One Friday night I went over to their home to watch movies (I think it was a laser disc player - it was very cutting edge). Chuck had his very nicely stocked bar in the family room, and he offered me a drink. I asked for Kahlua. He immediately started searching for Kahlua, and apologized that he had run out. I said "no problem, I will have something else". And he said "No, no, I want you to have the Kahlua. I am going to go get some". And there was no amount of reassurance that I could provide that I didn't really need the Kahlua - he was too gracious and accommodating to NOT go out at 9pm to the liquor store get me just what I asked for. That was the best Kahlua I ever had.*

*He was always cheerful, and he loved his "Susie" and his family very much. I hope that the Gurnik family will find comfort in their memories of Chuck.*

*With love to all of you,
