“ Cheryl Ross Hollifield posted a condolence *I am thinking of you all with fond memories. It was always a joy to see Evelyn and Charles and the sweetness that radiated from them. One of the first times I got to know them was at the birth of a grandchild at The Birthing Center in Saint Petersburg Florida. Every time I saw them they would mention that special memory.*

“ Jim Shelby posted a condolence *Charles left enough memories in my young mind to fill a book of his days at Ft Sill OK before he shipped out to Korea. He was either at my folk's home for meeting or went with us to wherever we went, even to Perry convention. He was ten years older than me but never a dull moment and we were close through the years until he was called home. My heart goes out to all he left behind but now we must go on together. All the best, Jim Shelby*
