“ Kathy Lee - "old" "old" friend posted a condolence I have not seen Chuck in 30 years but as soon as I heard the news I felt as sad as if I had seen him yesterday. That was the kind of special person he was. He was so caring and kind. When I knew him he would bring his "little brother"(Big Brothers/Big Sisters) to the beach with him and I was so impressed with his genuine caring and giving of his time to others. I know he will be missed by so many. He made a difference while he was here and was loved by many.

“ *Melissa Becker - BOI Field Staff posted a condolence The Bureau of Immunization Field Staff lost a colleague, a mentor, a friend and a family member. We were privileged to know Chuck. Words cannot even begin to express our sorrow. An internet quote says it all . . . "What moves through us is a silence, a quiet sadness, a longing for one more day, one more word, one more touch, we may not understand why you left this earth so soon, or why you left before we were ready to say good-bye, but little by little, we begin to remember not just that you died, but that you lived. And that your life gave us memories too beautiful to forget." Our thoughts and prayers are with his family during this difficult time.*
