“ *Sandra Lee Doscher - daughter posted a condolence Daddy, we were lucky to have you in our lives for as long as we did. The last two years have been hard for you and I know in my heart that you missed Mom terribly. I know that she was waiting on the other side of the light to take you home. I can just imagine the gathering of all your old friends & relatives - all welcoming you. In time, we all will do the same, it is the circle of life...till we meet again....love, your daughter Sandi*
