“ I will always remember Uncle Charlie for his love for his family. As a little girl I have many memories of him helping his parents build and repair things at their home. He always took great care of them. I also remember some great family gatherings with fried fish on the menu. I always loved seeing pictures of his deep sea fishing trips and enjoyed the stories he would tell of taking his kids and later his grandkids fishing. I know he will be greatly missed by all who knew him. My love and prayers are with you all.
