“ *Lisabeth E. (Fenders) Johnston - pre-school and grade school buddy posted a condolence My Rowley friend Marjorie saw the sad notice of my old friend's passing in the Boston Globe and sent it on to me.-We've never talked since Charlotte and her family moved "so far away" in the 1950's but I'll always remember playing together as little girls (tricycles, dress up and house) and our friendship at school together in the Rowley schools. (Carolyn might remember all that.) Just wanted to say how sorry I am to hear that she passed and to send deepest sympathy to her family.*
