

Chelsey Deziray Johnson

February 12, 1996 - April 30, 2025

Chelsey Deziray Johnson, born on February 12, 1996, in Hollywood, Florida, was taken from us suddenly on the evening of April 30, 2025.

Chelsey was a devoted mother to her three beautiful children, William, Phenyx, and Kingzyn, who brought her endless joy and love. Her unwavering dedication and love for them will forever be a part of their lives.

Waiting for Chelsey was her second great grandmother Margaret Lovette, great grandfather Edward L Johnson, niece Lilliana Rose her best friend and son's father William Brown IV.

Chelsey leaves to grieve her Mommy Alexis and bonus mom Shavon Johnson whom she affectionately called Bon Boodle. Great Grandmother Gloria Johnson Carter. Her Gram Joyce Johnson, Pap Bruce H Johnson SR. (Nanny Paula) and Grandma Jamie

Rose. A Fiancé Shane Harned. Siblings to which she adored Angelique, Kamden, and Jaxsyn Johnson. Uncles Bruce H Johnson Jr. (Aunt Holly), Jason Young, Dennis Wormack, Dexter, and Louis. Aunts Shannon, Samantha (Wayne) and Desarae. She also leaves a host of nieces, nephews, cousins and friends.

Our Chelsey Lou had a smile like no other, loved hard, never met a stranger, and was forgiving to a fault. If you had the chance to be in Chelsey's presence you had an opportunity to experience what unconditional love, forgiveness, and loyalty looked and felt like. Shavon and I ask in lieu of flowers, please smile at a stranger, love a little harder, show grace when needed, and pay it forward in her name any chance you get.

A celebration of Chelsey's life will be announced at a later date and currently the family is requesting respect and privacy. Services and interment are private and entrusted in the care of DeGusipe Funeral Home and Crematory, 65 N. Gallatin Ave., Uniontown, PA, Stacey A. Dolfi, FD.

“ My "Dawg", I just found out. To the family, I wish there were words or actions that I could say/do to take away your pain. I pray that God wraps His loving and healing arms around you and hold you tight to see you through this difficult time! The last conversation me and Chelsey had she told me, "everyone needs an Aunt Ivy!" You will be missed my "Dawg"
