

Cheryl Ruth Shiner-Epperson

November 4, 1946 - April 23, 2022

Cheryl Ruth Shiner-Epperson of Clermont, FL, passed away on April 23rd in Celebration FL, at the age of 75. She was preceded by her parents Paul C. and Sadie Shiner. She was born, raised, and lived in Miami, FL until her retirement. She loved Miami and always called it home. She will be laid to rest there near her parents.

Cheryl was a terrific cook, avid poker player and excellent saltwater fisherman. She had a green thumb and enjoyed tending to her plants and flowers. Her true passion was nature. She loved creatures, wild and domestic, and they in turn loved her back. She spent hours feeding, caring for and watching them. She took in five feral cats, she gave them all a happy home, loved and cared for them equally until their passing.

Cheryl is survived her aunt Ruth Poe and many cousins including Denise Mazloom Ilmonen, Candace Mazloom Hart, Joe Mazloom and dearest friend Preston Harpel.

She will be truly missed by those who knew her. She was deeply loved and will never be forgotten. She has left a void in my heart that can never be filled, her passing has left a deafening silence. Every time a flower blooms, I will see your face. Every time a bird takes flight, I will see your spirit.

In lieu of flowers the family requests a donation be made to the SPCA of Florida: <https://www.spcafloida.org/>, or to Cancer Research in your area.

The family of Cheryl Ruth Shriner-Epperson invites you to leave a message of condolence on the Tribute Wall created in her loving memory.

“ My dear cousin Cher, you were always a part of my life from my first childhood memories. I have so many wonderful memories of our lives as kids and young adults. When I close my eyes and think of you, I can still hear your voice. I am so glad we had time together before you passed on to the Lord. I had the chance to tell you that I loved you and know you loved me. You will live on in my heart until we are hopefully reunited in Heaven. Joey

“ Cher was more of a sister to us than our cousin. Our families lived near each other and we were always together from visiting Santa Clause to trick or treating. We stayed close when we moved out of Miami speaking or texting almost everyday. Cher loved all animals and we'd share pictures and stories about all our furry friends. We are devastated by the loss of our "sister" and know she's in heaven cooking (she was an excellent cook) our favorite Lebanese dishes and playing poker with our families. We will be united someday. Our love is with her. Candace "Mazloom" Hart and Denise "Mazloom" ILmonen. We miss you Cher.

“ Cheryl will be missed and we offer our condolences to the family and Preston. She was a classy lady and had a true appreciation for life and nature. Fishing was her passion, put a rod in her hand and she was happy. She had an eye for color and design and she took pride in her home with her little furry friends. Goodbye, Cheryl, we will remember you and miss you.
Love and peace,
Kay and Joe

“ Cher was a dear friend of mine, who I met when I got my first professional job at Baptist Hospital in Miami, Florida. I always enjoyed having lunch with Cher and talking about life. We stayed in touch even after we both moved away from Miami. Cher was truly one of a kind, and had an incredible way with God's creatures & creation. I am blessed know her and call her a friend. I will miss her terribly and think of her with fond memories often. We are praying for Preston and Cher's family.
