“ *I was so shocked and upset to hear about Chris. He was always so full of life and always made me laugh so hard. He will surely be missed and his fun outgoing personality will be missed. My prayers and thoughts are with his family at this time. All of we Benjamin Moore representatives that had the pleasure of knowing Chris are saddened by this and we send the Watkins family our condolences. May Chris rest in peace as he sits next to God and may the angels take care of him as he has reached his final home. Anna Lehman*

“ *The shocking loss of my dear friend is heartbreaking. I know I share my fellow Winter Park High School classmates' deepest condolences. My prayer is that Chris's daughters and family know how much he was loved by all who knew him. May you find peace in your mourning for this amazing - and witty - man. He is heavily missed.*

“ *My sincerest condolences to the family of Christopher Watkins. No matter who we are, losing a loved one in death is painful. The pain, grief and feelings of helplessness is unbearable. May you find comfort in Jesus' words at Matthew 5:4, "Happy are those who mourn, since they will be comforted."*
