“ *Andrew, Ben and families, I was saddened to hear of Cindy's passing. I will always have great memories of all the fun times we had on the road, here in Canada and at your house. Your mom was an amazing lady and brought pleasure to all she touched. She will always be in my heart. I loved her as a sister. I was thinking about her this week and the time we went through the woods looking for holly to decorate the house. My thoughts and prayers are with all of you. Love, Lorraine (Hodgins) Thompson*

“ *Cindy always will be remembered by Dunwoody Dental as the beautiful woman that always was smiling. There was never a time she did not come in without being happy about life and sharing many pictures of her granddaughter or sharing a story about her family. She was a proud grandma. We will miss her dearly and our thoughts and prayers are with the family!*

I am so sad to hear of Cindy's passing. I have so many great memories hanging out at "Cindy's house". She was the cool mom, she welcomed everyone into her home whether it was for a few hours or a few years :) And she let us all be loud and act crazy. She was a tough lady who told you like it was, but she did it because she genuinely cared. I know there are a lot of people who's lives were changed because of her. I wish I could be there tomorrow to share the memories, please know that you all will be in my thoughts.

“ John Lennon once said “I'm not afraid of death because I don't believe in it. It's just getting out of one car, and into another.” Although you have gotten out of this car and moved on, you'll always be loved and missed.

I worked with Cindy at Convergys for around 8 years and she was like another Mom. Always willing to help, and she liked to bring in goodies from time to time to keep moral with the team up. I will miss her dearly, but will always have fond memories of the time we shared at work.

“ The angels are always near to those who are grieving, to whisper to them that their loved ones are safe in the hand of God.

~Quoted in The Angels' Little Instruction Book by Eileen Elias Freeman, 1994

Though the ones we love may leave life as we know it, in our memory, the love we know will always carry on. Our greatest sympathy to the family.
