

Clarence Boggs

May 31, 1927 - May 21, 2019

Clarence Boggs lived a life full of pride, joy and happiness. He took pride in the many years as a trade carpenter building homes and commercial buildings in Ohio before moving to Florida. As a honored veteran, he bravely entered the US Army during WW2. Shortly thereafter meeting his true love, Edna, where they married and had two daughters in whom he loved, Sue and Lori. He is survived by his beloved sister, Lola Mae. He took joy in his growing family of 8 grandchildren, 6 great grandchildren, and 3 great great grandchildren. He enjoyed the game of golf but his greatest interest and pleasure was on his boat with fishing pole in water! He will dearly be missed and forever in our hearts by all who loved him!

“Those we love don’t go away, they walk beside us every day. Unseen, unheard, but always near, so loved, so missed, so very dear!”

Family will be holding a private memorial. In lieu of flowers, please send donations in his memory to the American Cancer Society

“Gone Fishing”

*I've finished life's chores assigned to me,
so put me on a boat headed out to sea.
Please send along my fishing pole
for I've been invited to the fishin' hole.
Where ever day is a day to fish,
to fill your heart with every wish.
Don't worry, or feel sad for me,
I'm fishin' with my Master of the sea.
We will miss each other for awhile,
but you will come and bring your smile.
That won't be long you will see,
till we're together you and me.
To all of those who think of me,
be happy as I go out to sea.
If others wonder why I'm missin',
just tell 'em I've gone fishin'.*
