“*Dr. Kelly was a highly respected man of deep wisdom, and unprecedented kindness. He will be remembered for being the person who he was. He was the same person in his professional office and out it public. He was always Bill or Dr. Kelly however one knew him. There is no question that he has now heard the words "well done my good and faithful son". Bill will be missed by many in many different ways. Dr. Paul J. Yocom - Titusville, Florida.*
