“ Charles Rader - Friend posted a condolence Elaine, I never had the opportunity to meet you, but please know that I thought the world of Clarence. We met on an OGR Pheasant Hunt many years ago and I always looked forward to seeing him. He loved leading the breakfast brigade in South Dakota and I loved being around him and hearing all his stories. I saw him last at our hunt in 2015, but have thought of him often. God Bless you and your family. He will be fondly remembered. Our Love and prayers are with you. Charles and Lacy Rader

I am also sorry for not being closer to Clarence and you over the last 10 even 40 years. I have always had a connection in Tampa and should have made it a priority to see you more than just our high school reunions. I will see you this week. Take care and lean on friends and family to pull you through these tough times. I am thinking of you and praying for Clarence and your family.
