“ We will miss a dear friend servant of the Lord. What a blessing for us men of God, always learning from him.

“ Lucas Ford - ex next door neighbor posted a condolence Barbara was sad to see my friend C.A passed away you all were great neighbors and we hated to see you all move when you. I sure do remember well the good times there like the pool table and the pulling the tree down with a car and so many more. He sure helped us a whole lot, sometimes without being asked. A huge loss to the community.
