“ Tony touched my heart, mind, and soul in so many wonderful ways. We had an amazing connection between us that grew into strong enduring love and friendship, that one can only pray for in a lifetime. Your loving spirit will live on sweetheart in all our hearts and minds, forever. Save a dance for me in Heaven Love....

“ I have so many wonderful memories of dancing with my American mate & friend Tony... he especially liked dancing the swing with me. Each time we danced we added more moves that just cracked us both up beyond words, whenever we could pull them off.

Even though he was very shy in the dance community, he would agree, at my urging to step outside his comfort zone to ask a young lady to dance - just to make her feel special. Then he tickled pink, when she not only said yes but also enjoyed it so much.

Tony, you've been missed by so many of the dancers and will always be remembered.

I will be forever grateful that we enjoyed another movie "Immortal" and then dinner, on the Sunday before Thanksgiving. We laughed, shared popcorn & even ate hard candy. Followed by a good old Irish chinwag - well..he listened and I did all the talking as usual.

You were a man of few words but great wit... loved to hear you laugh and tell stories of your younger wild days. Then to hear you say how proud you were of your children and how you loved and enjoyed the grandchildren.

My sincerest condolences and heartfelt sympathies go out to each one of you his children "Sean, Justin, Dawn" and all of your respective family members and friends.

Mine are truly wonderful memories I am so blessed to have shared with him. Yes... I will and do already miss him my fun friend - Please God... may he rest in peace eternally.

Sincerely... JoHelen (aka Irish Angelic Muse)
