“ Peter and I send our deepest sympathies to Justo, Elizabeth and Steve, Michelle and David and all the beautiful grandchildren. I met Clemencia 25 years ago on the Heathrow golf course when we were both beginners and thought it was okay to use range balls over the water on seven! She was a wonderful friend with a very kind heart and she will be sorely missed. Rest In Peace my dear friend.

You meet many people throughout your life but Clem was one of the special ones. She was always cheerful and so much fun to play golf with. She will be missed by many of her Heathrow friends. My thoughts and prayers are with you now.

Clem was an amazing person, we shared a passion for both tennis and golf and I always enjoyed playing with her. May she rest in peace and land where all "special souls" are gathered...
