“ *He will be missed! One of the things I remember was one time when visiting, he sent Susan and I up to the store to buy Turtles (candy). It was around 9:00 in the evening! He was special enough and asked nice enough that we were glad to do it! :)*

*Prayers to the rest of the family! We love everyone and think of you often. I have been blessed to be a part of the family for almost 40 years!-----Emily*

“ *I'm sorry I wasn't the greatest granddaughter. I'm sorry everyone else got to hug you one last time except myself/your 3 great grandkids. That is truly unfortunate being that I live five minutes away from where you were. I know you know that wasn't my choice gpa. Rest in peace, wherever you may be. I love you gpa.*
