“ You are in peace. God, please Bless this family thru this difficult time. He will be looking over all of. I am sure he would say don't be sad, I have lived my life as God planned. We will see each other at a later time, so until then, don't be sad. My life should be a celebration.

“ He was the best father-in-law and he never changed. I will always remember good times with him and the family. Pa-Paw you go rest high on that mountain, your work here on earth is done, go to heaven just a shouting, before the father and the son. One day we will see you again on the other side. Thanks for being the grandfather of my children.
