“ Cody, Cody... Where to begin. As of day one, with little Cody playing  
Hungry Hungry Hippos, I knew I was in for the ride of my life. The  
whole family, was like a second family to me and they all mean the  
world. As time went time went on and Cody, Amanda, and I grew  
up... There were so many things Cody and I had gone through  
together, good and bad. I appreciate the time we had together and  
will never forget those late night convo's when we couldnt handle  
our battles anymore. I know you are now in a better place and free  
to be as happy as you can be. I love you Cody like a little brother,  
always have and always, will. Ive kept my promise to you and will  
one day see you again. May the angels in heaven watch over you  
as you watch down over us.##imported-begin##Melissa##imported-

“ Nothing prepares us for the loss of a child. There is the joy when you first discover he is entering the world and the indescribable emotions when you first hold him and look into his eyes. The wonder and marvel you experience as you are there helping him to grow in age and life's challenges. Then just as he was growing into the man he would be, he is gone. Our thoughts & prayers are with you now and even though the miles separate us, know that our arms are wrapped around you always. Find comfort in the memories that flood your thoughts and know that he lives through us always.##imported-begin##Uncle Bobby & Mary##imported-end##

“ Cody Scott Baumann, you were SUCH a great friend. We always had the best times together.. always partying haha. You would always be there for anyone when they needed it. Sit there when they talked your ears off still listening. Only god knows the very truth about that night and why you did what you did. Words can't describe how much you will be missed. We WILL all see you one day again. I never got a chance to meet your family but my respects go out to them during this hard time.. I love you with my whole entire heart &lt;333333##imported-begin##Brooke Beron##imported-end##

“ Dear Cathy, Dale and Amanda:

Your family has lost someone very special, somebody who touched many lives- especially yours. So this comes today to honor your memories and to let you know you're kept very close in thought and heart.

We've known Cody and all of you since before he was born. As your neighbors for more than 20 years, we are filled with sadness and please know, while our hearts are heavy with this burden you carry, we are only across the street to help if there is anything we can do.

May the comfort of those who grieve with you give you peace!

“ Dear Cathy,  
We are very sorry to hear the loss of Cody. He seemed to be such a great young man and always waved as he drove by in his pick up truck.  
We have been neighbors for 10 years and don't really know each other very well since our kids had quite an age difference. We want you to know that we are right across the street (2108) if there is anything that you ever need. Our hearts go out to you, Amanda, Dale and the rest of the family. May God Bless you all and have lots of faith. He is now in a better resting place where he can watch over all of us. God Bless,

“ *My darling baby boy - you took my breath away the first moment I held you in my arms. That feeling never changed as you stole my heart and wrapped me around all of your fingers. A "mama's boy", you taught me so much more than I ever taught you - strength, compassion, and the true meaning of unconditional love. You've taken my heart to heaven with you - please hold it tightly until, if I am so blessed, I find you there. All my love until the end of time my sweetest.##imported-begin##Mom##imported-end##*
