“ I wish I could have been at the memorial service but I was out of the country. This news has been really hard for us since our children grew up next door to each other and we share so many memories with Cord. My favorite memory is his great appetite and how much he enjoyed Persian food. He was part of our family. I have no words that can provide you with comfort, only knowing that he now rests with God in a better place can bring peace to your family. We will always remember him.

“ *God knows the pain Cordell family feels, the grief you carry, the tears you cry, the memories you'll cherish, the comfort you'll need, the strength you'll require. From Park Seventh day Adventist Church Prayer Warriors, Salisbury, MD (Cordell Aunt Kathy church family). Sleep in Jesus Cordell! Though we may die, Jesus says, "I am the resurrection and the life. He who believes in Me, though he may die, he shall live" (John 11:25).*

“ *My deepest sympathy to Francis, Amanda and Steve. We have such fond memories of Cordell, and our thoughts and prayers are with you. My fondest memory with Cordell is when we went bicycling through the muck at the Environmental Center, got caked in dried muck and had to pressure wash our shoes, socks and bicycles before Francis saw all the mess! We also enjoyed the icees we always bought afterwards.*

Rest in Peace, Cordell.
