“ Will be remembering Cory tomorrow on his birthday. His smile was always brighter than 100 candles on a birthday cake... and that is because it was fueled by the abundant amount of love in his life. My condolences to all who fueled this inner light and and continue to carry it on. Jill Gable

“ Met Cory and had delightful conversations with him in Public, usually in the dairy aisle. I always told him how great everything looked. He was fine young man, good sense of humor and always a smile. Last time I saw him I said, " by the way, what's your name." He pointed to to his Publix name tag and said, "Cory." Allan Dempsey

“ *My sincerest condolences to the family of Cory Connell. Losing a loved one in death is painful. It is such times like this that we should look to the Almighty God for comfort. Psalm 34:18 says, "Jehovah is close to the brokenhearted; He saves those who are crushed in spirit."*

*May your reflection on this promise and your many fond memories of Cory give you the strength you need to endure this difficult time.*
