“ *Pat Graham - Cousin posted a condolence Vicki- We were so sorry to hear of your loss of Craig and regret that we were unable to attend his service. He was a wonderful person and although with time and distance we did not see you frequently we always enjoyed our visits with both of you. I trust and pray that you will find comfort knowing that he is at peace. With love and prayers for all of you, Patty and Aunt Margie.*

“ Ken & Renee LaDelfa - Friends posted a condolence Dear Vickie, Tiffany, Jason & Family, Our family is so sorry for your loss. We thought the world of Craig. Craig was always ready and willing to help people in any situation. From a divorce to being instrumental in purchasing an airplane. Craig would have given you the shirt off his back. We always looked forward to our dinners with Di and catching up with the children and grandchildren. We will miss him! His beautiful spirit, and love of family, friends and life were felt when you would sit and visit. The love Craig had for Vickie, Jason, Tiffany and the grandchildren showed through every picture he would show us on his phone. We are proud to have known such a caring and loving man with a great sense of humor. Thank you for sharing the beautiful pictures. I especially love the cows! We will never forget him. Ken & Renee
