“ This wonderful man will be missed by all of his friends, of which he had many. He was so devoted to his girls and grandchildren and was a good friend, and personally, a loving companion. He will be looking for a good golf course and good internet service when he gets to heaven and St. Peter will be counseled well on the best investments to make. He was generous in sharing his many life experiences and wisdom. He was a dear, caring man and I, along with many friends, are going to miss him.

All my love, dear Curt.

My friend since the St. Patrick's Day Parade on Pharr Road in Buckhead 1975.

We met and I learned to have lunch at Winn Dixie Reunited in Orlando in 2010.

*Wish we could just share one more meal at the Holiday House
