“ *My daughter Sharon and I are going to really miss Cynthia soooo much. She was our church buddy. I worked with her for years.. Years ago we were both dealing with serious medical issues and I would always think if she could deal with her problem I could deal with mine and she was thinking the same thing about herself. We did not know that we were silent supporters to each other until years later. Sharon really enjoyed her talks with Cynthia and spending time with her*

We love her soooo much. She was an inspiration to all who knew her. And to her family you know I am only a neighborhood away if you need anything!!! Cynthia is one of a kind!!
