Always full of life and positive energy, Daisy loved children and was a playful, caring mother and grandmother, never tiring of helping others find their creativity or making small gifts to share her love. Daisy embraced adventure and new experiences, gaining life-long friends along the way. Her overflowing

love, passion for ideas, and excitement for learning positively influenced all that came into her orbit.

Daisy attended Upsala College, in East Orange, New Jersey and Florida Southern College in Orlando, Florida. An avid reader, Daisy collected and devoured books that supported her biblical studies and deepened her faith, including authors such as C.S. Lewis, Francis Schaeffer, R.C. Sproul, and Ravi Zacharias. She loved the opera, all kinds of different music, and the song "Somewhere Over the Rainbow". She frequently enjoyed being carried away by music, her eyes closed, arms outstretched, and her body in movement across the floor.

A celebration of life will be held Sunday, February 25th, 2024 from 2:00 pm to 5:00 pm. For those interested in attending, please contact Nancy Krayner (phone number 407 463-5831) for more information. The family asks you to bring memories of Daisy to the celebration. “ Met Daisy when she attended church with Karen. What an interesting lady. Visited her a few times when she lived with Karen. Could listen to her stories for hours. Will never forget her birthday for she liked to tell people she was born on a National Holiday, July 4th. She was a beautiful lady and we will miss her.

“ *I didn't know Daisy, but i know Nancy and Karen. This is enough for me to know she was a great person. Eternal rest grant unto her. May His perpetual light shine upon her.*
